UPDATED FINISHES

FOR FLOORS 2 & 3 | AS OF JANUARY, 2025

Rendering is for illustrative purposes only. Design, inclusions, and finishes pictured are not guaranteed.

The background of the entire page is a light gray topographic map. It features a complex pattern of concentric, irregular contour lines that create a sense of depth and texture, resembling a map of a hilly or mountainous region. The lines are thin and light gray, contrasting subtly with the white background.
